Government Agent Tells Government Agent Tells Governor How New Scheme Will Help Farmers,

It seems strange indeed that the United States government, still elected and officered by males of the species, should send out emissaries whose object is to completely enslave the masculine sex of a large variety of animals. Yet uch is the case. In the guise of a demonstration agent to work among the Virginia farmers and poultry raisers, such a messenger is turned loose to hasten the time when females shall be lords of the earth.

This demonstration agent has ar-
